

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Viewers, citizens, and whole communities will be poorer if these important rules are relaxed. Please preserve the current regulations regarding the cable ownership cap.

Thank you.
